I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: The compounded med. that
I use is extremely important to
me. It alleviates lots of uncomfortable
symptoms, hot flashes, anxiety,
edginess and even depression.
I appreciate having this choice instead
of the other alternatives.

Thank You
